CRITERION I – CURRICULAR ASPECTS

1.1 Curriculum Planning and Implementation

1.1.1 Institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500 words

The institute is affiliated to Saurashtra University and strives towards effective implementation of the university curriculum through systematic planning and execution. The IQAC of the college plays a vital role in this direction. Departments are required to prepare strategic time bound plans and submit the same to the IQAC. The following strategies are followed by the institute to follow the curriculum effectively:

- In Saurashtra University, every subject has a Board of Studies. The curriculum is developed by the Board of Studies. Most of the Heads of the Departments of our institution are the members of the Saurashtra University Board of Studies. They take an active and keen interest in the curriculum development through personal involvement and as per the feedback of the faculty, students and academic experts and present them to the Board of Studies for further perusal. Furthermore, they participate actively in the Board of Studies in the development of the new/revised/improved curriculum as and when the need arises.
- Systematic allotment of subjects based on areas of specialization and interest of faculty for coming semester is done by the Heads of Departments through discussions at departmental meetings at the end of the current semester. PG department with a large number of guest faculty qualified to teach various specialized subjects also conducts intensive planning sessions for effective curriculum delivery.
- At the beginning of each semester, the Principal arranges meeting with all the HODs. The department prepare the teaching plans as per the suggestions received from Institutional IQAC if any for proper implementation of the curriculum and follows accordingly throughout the year. Each department prepare the time- table and allots to the teachers of respective departments.
- The institutional calendar of events is prepared based on the university calendar and placed before the IQAC and Staff Council.
- Departmental meetings are conducted to finalize unitized lesson plans and departmental activities for the semester.
- In large departments like Arts, Commerce, Science & Management, subject coordinators are selected to ensure uniformity in curriculum planning and deployment in multiple sections.
- Individual work diaries are maintained by faculty which indicate the coverage of syllabus. Diaries are periodically checked by the heads of respective departments.

- Periodic review meetings on curriculum coverage are conducted by the Heads of the Departments and special classes and remedial classes are conducted on Sundays and other holidays as required.
- Feedback from students on effective delivery of curriculum conducted every semester is an important aspect of the deployment. Hence, they are collected from the students.
- A detailed Curriculum implementation meeting is conducted by the department before the commencement of academic year as per IQAC suggestions if any.
- Curriculum delivery is documented by maintaining Lesson plan and work diary. Individual and group assignments are evaluated in a structured format with focus on positive and improvement aspects, which helps the students in improving their communication skills, life skills and presentation ability.

<ul style="list-style-type: none"> • Students: Feedback forms are designed for students so as to facilitate their understanding of the course contents and their expectations. Student feedback is taken after completion of syllabus of each subject, usually at the end of University Exam. Students' Council meetings are planned and connected every semester to get opinion from the students. • Teachers: The HODs of all the departments are regularly invited by the Saurashtra University, Rajkot to attend the meeting of the formation of syllabus every year and they give their opinions, suggestions and feedback accordingly. The HODs take suggestions from the other fellow colleagues of the subject. • Alumni: Every Year College held Alumni meets, where the old students of the college give opinion about the relevance and validity of their course in the job market. Alumni feedback is taken formally during the annual meet and informally during faculty- alumni interactions. The feedback is noted down by the chairperson of the Alumni Association. • Parents: Parents feedback is collected informally during parent teachers meet. They too are active participants in almost all the activities of the college. A healthy interaction with the parents is facilitated and encouraged from time to time. • Employers: The College gets feedback from employers on a regular basis. Every department organizes lectures, workshops and seminars to get feedback on curriculum from employers concerning their areas at least once in a year. Feedbacks and suggestions are taken into consideration and the analytical report of 					

feedback on Curriculum was sent to registrar of Saurashtra University for necessary updates.

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

The college organizes orientation program for parents and students at the commencement of the academic year. This program facilitates students to familiarize with the institution norms, academic environment, curricular and extracurricular activities. They are also introduced to their class mentors, who play a crucial role in mentoring the students. Students and their mentors share responsibility for ensuring productive and rewarding mentoring relationships. The mentors provide both academic and personal guidance in transitioning students in becoming equipped graduates. The mentors also give constructive feedback on academics and other elements of career design. They can serve to help students, balance professional goals with their personal lives or give emotional encouragement during challenging times.

Objectives of Mentoring System:

- The heads of the department assign the responsibility to individual teachers of their respective departments.

- To help fresh students adapt to the culture of the institute.
- To counsel academically weak students and to play an important role in helping students cope with academic, extra-curricular and personal problems.
- Extra coaching is provided to slow learners.
- The students who scored better marks in their previous examinations are enrolled for a batch of reconnect hours and are encouraged to secure university ranks.

2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Continuous Internal Evaluation System of the students is an integral part of our teaching-learning process. There is a detailed Course Handout or a Semester planner that is prepared by the respective subject teacher for the papers that will be handled by the teacher. The students have been encouraged continuously to study sincerely for the improvement of their performance in our college. The college has an examination committee to carry out the effective implementation of internal assessment and college examination. The Saurashtra University, Rajkot as introduced semester pattern of examination from academic session 2010-11 for the faculty of Arts & Commerce at Under Graduate and Post Graduate level. The examinations & evaluation process of all the disciplines are conducted by the University at the end of each semester. Declaration of the result is time bound programme. The college has also implemented various reforms in Continuous Internal Evaluation System. At the beginning of each semester, the students are instructed about the syllabus and evaluation process. The formative approach to evaluate student's achievements includes various academic activities such as Seminars, Presentation, Group Discussion, Unit Tests, MCQs, Assignments and Project Submission and marks are allotted for these activities. The Students knowledge of the subject is evaluated on the basis of their unit tests, presentation skill, language fluency etc. The Unit Tests are conducted at regular intervals which include subjective and objective type questions. The students are asked to submit their term papers i. e. assignments within the stipulated time. The examination committee plans and implements the internal evaluation process in order to evaluate the students' performance prior to the external examination. The internal examination schedule is coordinated with the academic calendar. The college takes care to maintain the confidentiality in the work of internal examination process. Whenever there is a change in the evaluation method as per direction of university, it is communicated to the faculty as well as students by circulating a copy of the

university direction. The utmost care is taken for the maximum attendance of the students. The results of the internal examinations are published as early as possible. The concerned subject teachers conduct a personal interface meeting with the students. The results are analyzed to identify slow and advanced learners. The IQAC monitors the evaluation process in its meetings and makes suggestions for improvement.

2.5.3 Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic calendar is a backbone of the institution. The college prepares the Academic Calendar keeping in view the curricular, co-curricular and extra-curricular activities to be performed throughout the year. The Academic Calendar is prepared in consultation with the teaching and administrative staff members. The priority is given to curricular activities first. IQAC and the Academic Planning Committee jointly prepares academic calendar at the beginning of the year and distributes it to all teaching and non-teaching staff of the college. The academic calendar contains yearly schedule of the events, programmes, examinations, departmental presentations, assignment submission, holidays etc. It also includes tentative dates of announcements of results, admission and other forms of evaluation. The events of Sports, NSS, NCC, Saptdharas, Women Empowerment, & Cultural Department etc. are also mentioned in the academic calendar.

In academic calendar institute adhered to available working days, public holidays, admission process, semester wise teaching plans, tentative university examination days of semester, tentative practical examination days, allocation of internal assessment work, guest lectures, celebration of national festivals, various literacy days, awareness programmes and rallies, and makes implementation on it. As per academic calendar institution follows all the related curricular, co-curricular and extra-curricular activities for the better academic work. As per calendar institution participation in extra-curricular activities like youth festival, inter college sports competition like kabaddi, chess, badminton, table tennis organized by the affiliating university. The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploaded on the college website.

2.6 Student Performance and Learning Outcomes

2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink : <https://jcdhanak.org/2122/2.6.1.pdf>)

The college has clearly stated learning outcomes of the programs and courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students:

- Hard copy of syllabi and learning outcomes are available in the departments for ready reference to the teachers and students.
- The importance of the learning outcomes has been communicated to the teachers in every IQAC meeting and college committee meeting.
- The students are also made aware of the same through tutorial meetings.
- The institution is running under graduate programmes (B. A., B. Com.) Self finance programmes (BCA). In 2021-22, total 988 students got admitted. In B. A., 579 students admitted, in B. Com. 341 students (UG programmes) and 68 students got admitted in BCA in Self finance programmes. Many subjects are taught in the college viz. English, Gujarati,

Physical facilities:

The college infrastructure committee headed by the Principal looks after the development, maintenance and utilization of the college physical facilities. For maintenance of a clean campus environment, responsibilities are assigned to grade IV staff – cleaning of all rooms, corridors, toilets, compound, etc. on regular basis. Skilled workers are hired for repairing works related to electrical, buildings, furniture, etc. The teaching faculties with students also clean the classrooms, corridors and compound every working Friday under Swachha Bharat mission after class.

Computer Lab:

To protect computer lab, IT service experts' help is taken. Students are given information about computer lab prohibition through its rules and regulations. To protect from damage, we use UPS to prevent computer from shutdown. Power supply of proper voltage is checked properly and set up for update computers monthly. Moreover, antivirus programme is installed too for each and every PC.

The computer laboratory offers proficiency programmes in information technology. Short term computer courses are organized for students, teaching faculty and staff from time to time. The College Information and Communication Technology Committee (CICT) is responsible for maintenance and functioning of the lab.

Library:

The Library Advisory Committee with the Principal as the chairperson and Librarian as member secretary along with two senior faculties tackle all issues relating to the smooth and efficient functioning of the library. At the time of admission students are issued manual library cards which will be valid till their term-end. Internet facility is provided in the library and students can access the facility for availing e-resources and other web based information. Photostat facility is also available in the library at free of cost. The library is under CCTV surveillance. As books are real capitals and hence they are maintained properly. They are protected from dust and other types of damages. Sometimes sprinkling of proper insecticides is

also done. The regular and proper service is done to maintain the library.

Sports complex (indoor and outdoor):

The College has a standard and large sports ground in which volley ball and other outdoor sports activities are held. The college also has an indoor stadium for chess, carom, table tennis and Gym etc. The sports committee of the College is in-charge of the sports complex and equipment. The committee supervises the Ground-man and Grade IV staff assigned for maintenance and repairing if needed. Moreover, proper care is taken to protect the ground and sprinkling of water is also done regularly. To maintain the equipment of sports, cupboards are also put in the office.

Computers:

The College Information and Communication Technology committee (CICT) is responsible for the maintenance of computers and smooth functioning of the network facilities in the college. They also look after the college website, up-gradation, procurement of hardware and software and other items related to computers.

Classrooms:

Everyday every class room is cleaned properly and whenever there is no need doors are closed. To protect from insects regularly insecticides are is sprinkled. Moreover benches are also cleaned with cotton or cloths to remove dust on it. Likewise blackboards are also maintained properly. Some classrooms are equipped with the required teaching audio visual aids to supplement the teaching-learning process. Seminars, workshops, lecture sessions are also conducted in these rooms. Class representatives, elected by the students, are given the responsibility to keep the classrooms clean. Checking of electric items, teaching aids etc. in the classroom are done regularly.

Canteen:

A student friendly canteen is run by The Non-teaching Staff Association of the college. Hygienic food is made available at affordable rates. The canteen is open on all working days.

Drinking Water Facility:

There are three water coolers available at the institute for teaching/non-teaching staff, boy-students and girl-students.

As a part of quality improvement the following strategies have been adopted by the College:

- 8 of our faculty members are in the Board of Studies of their respective subjects.
- Head of all the subjects give their opinions/suggestions at the time of the Board of Studies meeting related to curriculum.
- Curriculum improvement is done as per the institute needs and suggestions are given by the academic council and BOS meetings.

Strategies have been adopted by the college:

- 8 of our faculty members are in the Board of Studies of their respective subjects.
- Suggestions are noted and planning are made to implement in phased manner.

❖ Teaching and Learning

- Use of computers.
- Use of innovative methods.
- Interaction with students which reduces gap between teachers and students.
- Friendly atmosphere.
- Student centred learning process.
- Use of multimedia, laptops & LCD etc. are used in teaching and learning.

Strategies have been adopted by the college:

- The points mentioned in the plan have been initiated.

❖ Examination and Evaluation

Assignment, Seminar and MCQ Tests are taken at the end of the each semester.

❖ Research and Development

IQAC motivated the staff for minor/major research programme.

Interested teachers are sent for research Training/methodology workshop, seminars & symposia etc.

❖ Library, ICT and Physical Infrastructure / Instrumentation

- Planning to purchase Library software program.
- Planning for construction of Multipurpose Hall.
- Planning for renovation of the College Building.
- Planning for the Library Building.
- Planning for Smart Classrooms.

<p>❖ Human Resource Management All the faculty members are involved in different activities like Saptdhara, Udisha and KCG activities etc.</p>
<p>❖ Industry Interaction / Collaboration</p> <ul style="list-style-type: none"> • The institute interacts with industries for placement. • IQAC & Career counselling interacts with the institute for placement.
<p>❖ Admission of Students</p> <ul style="list-style-type: none"> • Generally all the students are enrolled on first come first base in the institution. • In B.Com, B.A. & BCA admissions are given on merit base.
<p>6.2.2 : Implementation of e-governance in areas of operations:</p>
<p>❖ Planning and Development : To use ICT in the process of planning college events and activities, institute uses personal E-mails, WhatsApp Group, Facebook. (MS Teams) Important notices and reports are also circulated via E-mails, WhatsApp, and Facebook.</p> <p>E-governance is the integration of Information and Communication Technology in all the working processes of the system. It aims to minimize the manual efforts and improve the communication, create transparent system, and to be cost and time effective. To facilitate the same college is using Sun Soft wares with Student, Examination, Finance & Account, Employee, and Library Modules. The details of software vendor are as follows:-</p> <p>Name of the Vendor: - SUN SOFTWARES/SUN INFOTECH, Rajkot.</p>
<p>❖ Administration : To achieve the target of Paperless Administration, IQAC committee members of it started using Google facilities like:</p> <ul style="list-style-type: none"> • Google sheet: - For data collection from various departments. • Google Docs: - To prepare notices and activity reports. • Google Forms: - To prepare feedback forms and get online feedbacks of students, parents & teachers. • Google Drives: - To keep all department wise documents. • The college campus is equipped with Dahua and HikVision’s 58 CCTV cameras installed at various places of need. • To surveillance on mobile by Principal, DMSS application is available and software is available for surveillance on computer for college authorities. • ICT has been introduced in the administrative work. • College staff uses smartphone with inbuilt social app like Gmail, WhatsApp to communicate. • WhatsApp Group helps to provide the brief notices of any event to be happened on college. • WhatsApp Groups are also used for awareness and of smooth functioning of the same.
<p>❖ Finance and Accounts: With the aim to produce immediate information in finance and accounts i.e. “Single Click Accounting”, this section of college is partially e-governed. The college uses SUN Soft wares for the transparent functioning of accounts department. The same software is used</p>

to generate various reports like:
Consolidated Day Book
General Day Book
Daily Cash Collection report.

❖ **Student Admission and Support:**

Student admission for the year 2021-2022 is partially implemented online. SUN Soft wares is developed so as to fulfil the need of Student Admission and Support.

As the admission process is semi-online, admission forms are provided and the students submit printouts and required documents at respected counters. The software is also used for student support like issuing:

- Transfer Certificate,
- Bonafide certificates.
- Admission Forms
- Issue of I cards, Library cards and Challan through the SUN Soft wares.

❖ **Examination :**

To achieve paperless communication, examination section of the Saurashtra University uses its own software to generate various reports like:

- To generate seat numbers , hall-tickets, final results,
- To generate class wise roll call list for all classes, student fees records.
- Print the exam seat number wise list.
- Seating arrangement for the University exams.

Criterion VII – Institutional Values And Best Practices

7.1 - Institutional Values and Social Responsibilities

7.1.1 Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period (from-to)	Participants	
		Female	Male
1. Girls Health Guidance Lecture	14/08/2021	237	-
2. Betty Bachao Rally	09/10/2021	241	-

1. Institution shows gender sensitivity in providing facilities such as:

1. Safety and Security
2. Counselling
3. Common Room

Safety And Security:

1. Our institute is located in rural area with natural setting; therefore special measures are taken for security and safety. The campus is protected from long compound wall. Security guard is employed for 24 hours in the campus.
2. While entering the Institution premises it is mandatory for the students enrolled at this institution to wear the ID card issued by the Institution. This helps to keep a check on the entry of unscrupulous, anti-social elements on the campus.
3. The identity of any visitor to the institution is first checked by the watchman and then communicated to the Institution office.

4. The campus building is under CCTV surveillance.
5. Anti-Ragging Cell: Ragging in any form is strictly prohibited inside the institution campus. The authority of the institute deals students seriously who indulge in any such activity. Anti-ragging cell has been established in institution as per the UGC guideline and plays a vital role in the welfare of the students. The information regarding Anti-ragging cell is displayed at institution campus and institution website also.
6. Grievance Redressal Cell and 'Shakti' Women Empowerment Cell: All stakeholders including students, faculty members and parents can complain about their grievance to the principal or to a specially created complaint box. All complaints received are processed, communicated and resolved.

○ **Objectives:**

- To deal with the complaints of sexual harassment and any other type of harassment of the female students & women staff of the Institution.
- To process all the individual complaints and take immediate suitable action.
- To provide assistance to the in-charge faculty/convener for taking preventive steps in the matter of gender discrimination and sexual harassment.
- To review the guidelines for redressal of the grievances as required from time to time, in accordance with those guidelines outlined, issued by the higher authorities.

Counselling:

1. Regular teachers of the institution are appointed as mentors for counselling of students. In the group of two mentors 50 students are allotted. To help them two senior students per group also play the vital role.
2. The institute displays and communicates students the list of counselling groups (including mentor, senior students and allotted students) at the beginning of the academic year.
3. Mentors are helpful in students' academic, administrative and personal social problems. They are counselling students from time to time. They also use their expertise to help and guide the students in their regular study and improve their performance.

Common Room:

1. The Institution has provided rooms for socialization along with the requisite facilities. A good hygienic sanitation and rest room facilities are provided to the girl-students.
2. There is separate washroom for girl-students and ladies staff members of the institute. The facility of special ladies staff room is also provided to the ladies faculty of the institute.

7.1.2 Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:
Percentage of power requirement of the College met by the renewable energy sources

1. Use of LED Bulbs/ Power Efficient Equipment

2. Completely natural lighted classrooms are available in the institute for the purpose of 'Save Electricity'.

To save electricity the following steps are applied by the institute:

- Use of LED tubes instead of fluorescent tubes and incandescent bulbs.
- Compact fluorescent lamps (CFL) have already been replaced by LED bulbs.
- In non-reading and non-working areas, reduced lighting is used.
- For outdoor lighting, high pressure sodium or metal halide lamps are to be used.
- Lights are switched off immediately when not required.
- All transformers are disconnected and isolated from the wall outlet receptacles at the end of a working day.
- Computers, printers, copiers etc., which are not in use are closed down and disconnected at the end of a day.
- All personal computers utilize the power management option for conserving electrical energy.
- Electronic equipments and gadgets are shut- off during non-working hours.
- Unit settings for all ACs are at 22-24°C.
- Most of the doors, windows have been thermally sealed and are kept closed on entry/exit to reduce overwork.
- Split units have been installed in the institution compatible to the occupancy level.
- Members of student council and staff council have been deputed to check the wastage of electrical energy by ensuring that fans should not run in unoccupied classrooms or laboratories.

7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five)

- Solid Waste Management
- Liquid Waste Management
- Plastic Free campus
- E-Waste Management
- Waste Recycling System
- Rain Water Harvesting
- Bore well /Open Well Recharge
- Maintenance of Water Bodies and Distribution System in the campus

Supportive Steps to Make the Campus Eco- Friendly Includes:

Waste Management:

1. Solid waste management
2. Liquid waste management
3. E-waste management

Generation of waste is an unavoidable process in the daily routine of any institution. Curtailing the generation of waste and the proper disposal or recycling of the waste material is the main concern of the institution. The institution authority with the support of NCC and NSS accomplish the mission of reducing the generation of waste material in the campus. The methods adopted by the institution to handle waste material are as follow:

○ Solid Waste Management:

1. Each classroom/staff room/office/library is provided with dustbin, which is regularly emptied. Most of all the solid waste is biodegradable and in the form of leaf and papers which thrown into the dug pit and converted into natural fertilizer by providing a suitable environment.
2. The institution follows 'Green Protocol Initiatives' while conducting seminars and other events. Students and faculty are encouraged to use steel lunch boxes
3. Proper maintenance of infrastructure and timely repair of furniture is done to minimize solid waste.
4. Used papers and newspapers are sold for recycling.

○ Liquid Waste Management

As ours is an Arts and Commerce Institution, the liquid waste is not generated. But the water that goes wasted from a water purifier is provided to college garden plants and the wasted water of the washrooms is disposed of through underground gutters. We have developed a plan so that the rainy water collected from the terrace and ground is directly collected in the old bore- well.

○ E-Waste Management

Electronic goods are put to optimum use and the life of the electronic items is extended by proper up-gradation and maintenance. The Institution has collaborated with a local service provider for annual maintenance of electronic equipment and disposal of e-waste.

Periodic checking ensures that nonworking or old electronic equipment are separated out and disposed-off properly.

As such, there is minimum generation of e-waste. E-waste is minimal as the staff and students are encouraged not to use CDs and other temporary e- resources.

Most of the information is shared through online or through web and hence the e-waste is minimal.

7.2 Best Practices

Describe at least two institutional best practices Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link : <https://jcdhanak.org/2122/7.2.pdf>

- **Best Practice-01**

1. **Title of the Practice:** Need-Based Curriculum

2. **Goal:**

The College is very keen to watch trends. Before the market forces catch us off-guard, we prepare new programmes, faculty and facilities of international standards. This practice lends the curriculum viability to cater to diverse needs of society and to direct the students to make a wise choice matching the national and international trends.

3. **The Context:**

The aim of the college is to equip the students with global competencies, so that they could meet with the demands of the changing scenario successfully. Keeping in mind this aim, the institution studies the national and international trends, makes choices of programmes accordingly. Wherever it is needed, it designs innovative programmes to provide a new choice to the students. This practice has boosted the image of the institution in the public eye, and has attracted more students from the region.

4. **The Practice:**

The multifarious curriculum offers a wide range of job-oriented and skill based programmes and provides the learners the option to match their aptitude and interest with the subject of their choice.

- **UG Level Programmes:**

- **B. A. (Bachelor of Arts) – Six Semester Degree Programme:**

Students in arts and humanities have diverse subject options in languages, social sciences, fine arts and economics. These can open up avenues in fields as diverse as journalism, advertising, foreign trade and civil services. The vocational streams equip the students for jobs after graduation.

- **B. COM. (Bachelor of Commerce) – Six Semester Degree Programme:**

Students in commerce faculty have also a wide range of subjects to study such as accountancy, business organization, business management, economics, statistics, human resource management, business communication etc. Hence, they get an

exposure to the vocational fields like communication, trade & commerce, import export policies, business management, marketing and so on. The students avail the opportunities of the scholars and experts of commerce to be enlighten themselves.

- **B. C. A. (Bachelor of Computer Application) – Six Semester Degree Programme**

- **Add-on Programmes:**

Add-on Programmes in the unique scheme of the UGC to add on skills and increase employability and entrepreneurship for students pursuing conventional programmes in the liberal arts stream have been started.

- Dance Classes
- Yoga Classes
- Cooking Classes
- Public Exam Remedial Course
- GSET & NET Exam Classes

A student enrolled in any stream may opt for any one/two of the above programmes. All the programmes at UG levels follow teaching and examination system according to the guidelines of the university. As the institution keeps an eye on the quality, it keeps its teaching-learning process up to date. Innovation and experimentation are the twin forces that strengthen it and make it meet the national & international expectations.

- **Best Practice-02**

1. **Title: Women Empowerment**

2. **Objectives of the Practice:**

Aims and Objectives:

- To create an environment of comprehensive social awareness and consciousness among the students, staff members and surrounding communities for the need of 'Women Empowerment'.
- To provide an opportunity to girl-students to actively involved in this mammoth task.
- To suggest plans for women empowerment among the students, staff and community.
- To uplift women to a level equal to men.
- To enable women for job and thereby self-dependent.
- To prepare them for healthy competition to the male counterpart.

1. **The Context:**

- The State of Gujarat has still been remained underdeveloped in the matter of development of women because it has more or less remained a backward state up till now.
- The students are the best representatives to inculcate this change into the society. Condition of women in certain caste of this area is pitiable, women are seen as objects of man's subjectivity

2. The Practice:

Several steps have been taken to meet the above mentioned goals:

To create holistic awareness among the students, staff and community about the need to women empowerment institute creates and caters ample events. It makes the institution girl-students to have an opportunity to actively involve in this mammoth task. This awareness suggests plans for women empowerment among the students, staff and community. To uplift women to a level equal to men, to enable women for job and thereby self-dependent. To prepare them able for healthy competition to the male counterpart. The state of Gujarat has been lagging behind in the matter of development of women because it has more or less remained a backward state up till the advent of 21st century. The poverty is so dominating a force that education, development and empowerment of women have been a far off thought. Therefore it is imperative to take initiatives to guide such deprived half of the society to a path of progress. The students are the best representatives to inculcate this change into the society. Training of Chocolate Making, Bakery Items, Cooking, and Beauty Parlor related activities etc. are conducted on regular bases. Our 'Women Empowerment Cell' is active enough to make the girl-students participated and got trained in the activities like Sewing Art, Embroidery Art, Mehndi, Beauty Parlor Tricks, Rakhi Making etc. Many girl- students have started making their livelihood on the bases of the skills developed in this program. Sometimes the response from the students for such courses is not encouraging. It is difficult to bring the students to such training classes after their regular class because of low frequency of transportation. The students from our town turn up in big number but the strength of girl-students from remote villages still have difficulty to cope up with.

3. Evidence of Success:

Many girl-students have started making their livelihood on the bases of the skills developed in these programs.

Some of Girl-students of this class who have skilled themselves, professionally started their services to the society in the form of Beauty Parlors.

The new entrants of these courses were unable to operate the Sewing Machines but, by the end of the course, they have become able to sew a dress independently.

4. Problems Encountered and Resources Required:

The response from the students for such courses is not encouraging. It is difficult to bring the students to such training classes after their regular class because of low frequency of transportation.

The students from our town turn up in big number but the strength of girl-students from remote villages still need to be guided positively.

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust Provide the web link of the institution in not more than 500 words

The institute is proactively taking efforts in providing an inclusive environment. The initiatives are to promote better education, economic upliftment of the needy and setting communal harmony.

The vision of the institution aims at attaining excellence of students in academic world and

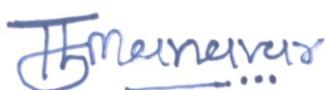

preparing them to face the modern challenges to inculcate the skills and values necessary to succeed in real life and above all making them responsible citizens and real human beings with the quality of compassion and love. Our institutional library carries out certain activities which seem to reflect the vision and mission of the institution. In the present world of extra-curious techno-savvy generation, the library is the best learning resource in all higher educational institutions. The role of library can be more effective with some innovative edge added to it. With the vision of providing students more opportunities to get acquainted with the world of knowledge and information our institution has always given priority to the promotion of enlargement of institutional library. To cater to the needs of students and scholars and provide them services to their satisfaction has been our main objective. The richness of the library is such that it helps the students not only in their studies but also their career development. The library is rich and copious in terms of books and e-books, a lot of audio, video materials, previous question papers etc. The library facilities are extended, along with the institution students, research scholars and external students of the university, alumni of the institution and citizen of the town. There are computers with internet and printer facility available for the students in the library too. Many poor students are benefitted by this facility. Thus, our library provides reference services for learning and research like computerized issue return service, reference and information service, internet service, printer and download service, photocopy service etc. The facilities like SUN Software makes our library quite useful. Moreover, every year library arranges different programs to create interest and enthusiasm among the students for books and for the active use of library. Such programs include book exhibition, Vanchan Shibir (Reading Workshop), lectures etc. Vision of providing students more opportunities to get acquainted with the world of knowledge and information is fulfilled by an extra activity called Vanchan Abhiyan. In this activity, the librarian and some faculties meet with the interested students frequently and discuss the books they have read. Sometimes, the faculties suggest certain books to the students. The students read those books and discuss them in this regular meeting. Thus, library and its adjacent activities try to reflect the vision and mission of the institution in its true sense. The institution provides a very good platform to the students who seek achieve something in sports. Sports are an inevitable part of any institution. In our Institution students are interested in many games such as Badminton, Table-Tennis, Kabbadi, Volley Ball etc. The students participated at inter institution; inter university and zones level and secured prestigious rank as well as championship in different competitions. Frequent Blood Donation Camps, regular Rural Educational Up-liftman programmes through Village Adoption Activity and Daily Prayer before starting the study, Active teaching learning process, Students' awareness programs for Competitive Examination as well as the information about the provision of Job opportunities etc. are other distinctive performances the Institution keeps at regular intervals.
